SUBJECT: CalPERS Circulars - August 2018

The following is a summary of CalPERS Circulars, relevant to payroll, distributed during the month of August 2018.

- 1) CalPERS Circular No. 200-048-18 Enrolling and Reporting Retired Members
- CalPERS will begin assessing fees after July 1, 2018 in relation to late appointments set up for retired annuitants (referencing Circular 200-010-18 and Government Code 21220).
- Employers are responsible for enrolling retired annuitants within 30 days of the effective date of hire, or else a fee of \$200 will be assessed per month until the annuitant is enrolled.
- Employers will also need to confirm missing payroll for retired annuitants that they do not expect to report payroll for. Employers must use the Payroll Schedule local navigation link to confirm missing payroll prior to the earned period report due date to avoid being assessed a \$200 fee for each retired annuitant. Please refer to the myCalPERS Retirement Appointment Reconciliation Guide and Circular Letter 200-003-17.
- 2) CalPERS Circular No. 310-051-18 2018 Board Election Toolkit Now Available

## Membership Circular Letter

August 2, 2018 Circular Letter: 200-048-18 Distribution: IV, V, VI, X, XII, XVI

To:All CalPERS EmployersSubject:Enrolling and Reporting Retired Members

#### Purpose

The purpose of this Circular Letter is to follow up on the California Public Employees' Retirement System (CalPERS) Circular Letter <u>200-010-18</u> and provide additional information regarding the amendment to Government (Gov.) Code section 21220 of the Public Employees' Retirement Law (PERL). The my | CalPERS system has been updated in accordance with this new law and CalPERS will begin assessing fees July 1, 2018.

#### Enrollment

An employer shall enroll a retired member within 30 days of the effective date of hire or a fee of two hundred (\$200) dollars will be assessed per month until the retired annuitant is enrolled in my CalPERS.

CalPERS will not be assessing fees retroactively for retired members enrolled late. For example, if a retired member was hired on January 1, 2018 but the employer did not enroll the retired member until August 1, 2018, the employer will only be assessed one \$200 fee for the late enrollment.

#### **Payroll Reporting**

An employer shall report and post retired annuitant payroll records within 30 days following the last day of the effective earned period. Payroll records can be submitted in either an earned period report or an adjustment report. Records must be posted within 30 days following the last day of the record earned period, or a \$200 fee will be assessed per month until the payroll information is posted.

CalPERS will not be assessing fees retroactively for retired annuitant payroll missing or reported late. For example, any missing or late payroll periods with earned period end dates prior to July 1, 2018, will not be assessed a \$200 fee.

Employers will need to confirm missing payroll for retired annuitants that they do not expect to report payroll for. Employers should use the Payroll Schedule local navigation link to confirm missing payroll prior to the earned period report due date to avoid being assessed a \$200 fee for each retired annuitant. You may also use the Retirement Appointment Reconciliation screens to maintain enrollments and confirm missing payroll. Failure to report or confirm missing payroll timely will result in a fee. For additional information regarding the Retirement Appointment Reconciliation functionality please refer to <u>my|CalPERS Retirement Appointment Reconciliation Reconciliation Student Guide</u> and Circular Letter <u>200-003-17</u>.

## Compliance

CalPERS encourages all employers to review all of their retired annuitant appointments for compliance before CalPERS begins assessing fees. Each retired annuitant currently working at your agency should have an appointment in my|CalPERS. If a retired annuitant has separated from your agency, please be sure that their appointment has been separated in my|CalPERS.

If you have any questions, please call the CalPERS Customer Contact Center at **888 CalPERS** (or **888**-225-7377).

## Unit 1: Reconcile by Appointments

Maintaining the appointments or confirming missing payroll records within the Retirement Appointment Reconciliation pages automatically updates the list. Transactions completed outside the Retirement Appointment Reconciliation pages (e.g., posting payroll adjustment records) will update the list after the nightly batch.

## System Logic

Employees with the following appointment types will be excluded from the retirement appointment reconciliation list:

- Health-only appointments
- Non-qualified appointments due to the purchase of service credit (i.e., Service Prior to Membership or Military Leave)

## **System Logic**

This option is available 15 days before the earned period end date. After you post the earned period payroll report, you will be able to view the appointments with missing payroll for that earned period.

# Board of Administration

**Circular Letter** 

August 3, 2018 Circular Letter: 310-051-18 Distribution: VI

To:CalPERS Public Agency EmployersSubject:2018 Board Election Toolkit Now Available

#### Purpose

The purpose of this Circular Letter is to inform your communications team of the availability of the turnkey Board Election Employer Toolkit they can use to publicize the upcoming Public Agency Member Election to your active member employees.

## **Voter Turnout Effort**

We are making a major push to increase voter turnout and we need your help. Voter turnout has fallen in recent board elections, and members born in 1982 and later have an especially low voting rate. We want to improve these numbers and encourage our millennial members to vote.

## **Board Election Key Dates**

- Ballots will be mailed August 31, 2018, to all active public agency members eligible to vote.
- Candidate statements, in video and written form, also will be available August 31, 2018, on the CalPERS website at <u>www.calpers.ca.gov/boardelections.</u>
- A Candidate Forum will be held September 5, 2018, from 6:00 to 7:00 p.m. It can be viewed live in the CalPERS Auditorium, Lincoln Plaza North, 400 P Street, Sacramento, or on our website. A video of the forum will also be posted on the CalPERS website for later viewing.
- Voted ballots must be received no later than October 1, 2018, to be counted. This includes votes cast online, by phone, or by mail.

## **Toolkit Contents**

The toolkit is designed to be convenient and easy to use. Most components simply require printing and posting, or uploading to your employee website.

Our recommendation is that the toolkit be used to promote the Board Election and encourage member voting during the period of August 31 through October 1, 2018.

The toolkit includes the following elements:

- <u>Posters</u> that can be printed and posted in the workplace. They can also be sized smaller and used in advertisements in employee publications
- <u>Web button</u> that can be placed on your internal and external websites that will click through to the CalPERS Board Elections webpage
- Website <u>banner ads</u>
- A <u>newsletter article</u> that can be customized for your employees
- Social media messaging
- <u>Ready-to send emails</u> to engage your employees about the election and to remind them of key election dates
- Public Service Announcement (PSA) video that promotes member voting in the election

The toolkit can be found on the Board Elections page of our website at <u>www.calpers.ca.gov/boardelections.</u>

Our Office of Public Affairs staff is available if you need assistance with the toolkit. You can reach us at 916-795-2886 or by <u>email</u>.
