

2024 Contra Costa County Registration for Courtroom Artists

- You must be affiliated with a participating Contra Costa County Mock Trial team and enrolled at the team's school. You are considered to be a team member.
- During the preliminary rounds, you may observe and draw only trials in which your team is competing.
- Once seated, you may not have any contact with anyone from your school.
- Your work must be done independently.
- Your sketch must depict what is going on in the trial. Do not focus too much on the background.
- The drawing must be done in color, on 11 X 14 paper, in horizontal format, using any dry medium. If using a "smudge-able" medium you must use spray-on fixative to preserve artwork.
- Make as many drawings as you wish, but only one may be entered for each of the preliminary rounds in the contest.
- Each submission must be labeled on the back with the team code, student name, and trial date only. **Do not sign the front of the submitted drawing or your entry will be ineligible.**
- Bring your drawing to the scoring room after the trial; Your drawing must be submitted on the same day as the trial.
- Two Contra Costa County winners are eligible to participate in the art contest at the Mock Trial State Competition so long as the school is registered with the state.
- Awards for the art contest are independent of the Mock Trial competition; an individual may win an art award and compete at the state level regardless of their Mock Trial team's ranking.
