ARTICLE 7 – GRIEVANCE PROCEDURES

7.1 General

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may arise from time to time affecting interpretation of the specific terms and conditions of this Agreement. The Employer and the Association agree that the conduct of the proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

7.2 Definitions

- Grievance - a complaint by one or more Unit Members who state that they have been adversely affected by a violation of this Agreement.
- Grievant - a Unit Member or Unit Members making the allegation.
- Workday - a regularly scheduled workday for a Unit Member.
- Immediate Supervisor - the lowest level administrator, designated by the Employer to adjust grievances, having immediate jurisdiction over the grievant.
- Employer - the County Superintendent of Schools.

7.3 Informal Level

Before filing a formal written grievance, the grievant shall attempt to resolve it by an informal conference with grievant's immediate supervisor. If a grievance arises from the action of authority other than the immediate supervisor, the Unit Member and/or immediate supervisor may request the involvement in the informal conference of the other authority.

7.4 Formal Levels

- 7.4.1 Step One - If an alleged violation is not resolved through the informal step to the satisfaction of a grievant, a formal grievance may be initiated. Such grievance must be initiated no later than twenty (20) workdays after the occurrence of the act or omission

giving rise to the grievance. The grievant must present such grievance in writing and shall state the facts giving rise to the grievance, shall identify by appropriate reference the provisions of this Agreement alleged to be violated, shall state the contention of the Unit Member with respect to these provisions, and shall indicate the specific relief requested. Within ten (10) workdays after the initiation of the formal grievance, the immediate supervisor shall investigate the grievance and give his/her decision in writing to the grievant.

7.4.2 Step Two - If the grievance is not resolved in Step One, the grievant may, within ten (10) workdays of receipt of the supervisor's answer at Step One, submit to the Associate Superintendent/Student Programs and Services, or his/her designee, a written statement of the grievance. Such grievance shall include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal. The Associate Superintendent/Student Programs and Services or designee shall communicate a decision within ten (10) workdays of the filing of the appeal to Step Two. Such response shall state the Associate Superintendent/Student Programs and Services or his/her designee's views of the facts and his/her conclusions regarding the contentions of the grievant on appeal.

7.4.3 Step Three - In the event the grievant is not satisfied with the decision at Step Two, the grievant may appeal the decision in writing within ten (10) workdays to the Employer. The Employer or designee shall investigate the grievance as fully as deemed necessary, and may provide for conferences with the grievant. The Employer or designee shall respond within ten (10) workdays of the appeal, to the grievant. Such response shall state the Employer's views of the facts and his/her decisions respecting the contentions of the grievant on appeal

7.4.4 Step Four - Within ten (10) workdays after receiving the decision of the Employer a grievant may make a written request to the Association to take the grievance to arbitration. If within ten (10) days the Association agrees to take the grievance to arbitration, the Association and Employer shall mutually select an arbitrator.

If agreement cannot be reached on a mutually acceptable arbitrator within ten (10) days, the Employer and the Association shall jointly request that the American Arbitration Association or the State Conciliation Service supply a listing of five (5) names. Each party shall strike two (2) names from the list in alternative order. The determination of which party shall strike a name first shall be determined by lot.

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after due investigation to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement.

7.4.4.1 The arbitrator shall have no power to add to, alter, subtract from, disregard, change, or modify any terms of this Agreement; but shall determine only whether or not there has been a violation of this Agreement as complained of by the grievant.

- 7.4.4.2 The arbitrator shall have no power to establish salary structures or change any salary.
- 7.4.4.3 The arbitrator shall have no power to change any practice, policy, or rule of the Employer nor to substitute his/her judgment for that of the Employer as to the reasonableness of any such practice, policy, rule, or any action pursuant to such practice, policy, or rule.
- 7.4.4.4 The arbitrator shall not consider any issue raised by the grievant unless it was known by the Employer in an earlier step of this Grievance Procedure.
- 7.4.4.5 The arbitrator shall have no power to recommend or resolve any of the following:
- 7.4.4.5.1 The termination of services or any other disciplinary action or failure to reemploy any member of the Unit.
 - 7.4.4.5.2 Any matter involving the content of the evaluation.
- 7.4.4.6 The standard of review for the arbitrator is whether there has been a violation of the expressed terms of this Agreement.
- 7.4.4.7 The award of the arbitrator shall be based solely upon the evidence and arguments presented to him/her in the presence of the parties, and upon any post-hearing briefs of the parties.
- 7.4.4.8 The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decisions, which require the commission of an act prohibited by law or which is violative of the terms of this Agreement.
- However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies as he/she judges to be proper. The decision of the arbitrator shall be submitted to the Employer and the Association and will be final and binding upon the parties to this Agreement. The Employer and Association shall implement the decision in whole, or by mutual consent, the parties may consult on alternatives.
- 7.4.4.9 There shall be no waiver or allegation of waiver of any time limit unless such waiver is in writing.
- The fees and expenses of the arbitrator shall be shared equally by the Employer and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- If the Employer claims that a grievance should be dismissed because, for example, it falls outside the scope of the procedure, or was filed or processed in

an untimely manner, such a claim shall be heard as the first issue upon which the arbitrator shall rule.

The arbitrator shall have no power to render an award on a grievance filed before the effective date of this Agreement or after the termination of this Agreement.

7.5 Appearance and Representation

Actions taken pursuant to this procedure shall be conducted at a time and place, which will afford a fair, and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. Such actions shall be conducted during working hours unless there is mutual agreement or other arrangements.

If the grievant is not represented by the Association, a copy of the grievance and the proposed resolution shall be sent to the Association. The proposed resolution of the grievance will not be implemented until the Association has a copy of the grievance and the proposed resolution and has been given an opportunity to file a response. Unit Members shall not suffer loss of compensation for time spent as a grievant or witness at a hearing held pursuant to this procedure.

7.6 Time Limits

The time limits specified at each level are maximums. The time may, however, be extended by mutual written agreement of the parties.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievant to lodge an appeal at the next step of this procedure. Any grievance not advanced from one step to the next within the time limits of that step shall be deemed resolved by the answer at the previous step. The parties may mutually agree to omit any step of the grievance procedure.

7.7 Legal Rights

7.7.1 All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

7.7.2 No Unit Member shall be discriminated against for participating in the grievance resolution process.

7.8 Release Time

7.8.1 The President and each of the four members of the Association Grievance Committee shall be entitled upon request to a maximum of six (6) hours, travel time inclusive, per month. This time is exclusively for the purpose of grievance processing.

7.8.2 Each of the persons identified in 7.8.1 of this Article shall request release in writing from his/her immediate supervisor and shall report upon return to duty. That release shall not be unreasonably denied.

- 7.8.3 Upon entering another work location, the persons identified in 7.8.1 of this Article shall identify himself/herself to the supervisor or designee in charge of the location and state the purpose and expected duration of the visit.
- 7.8.4 The persons identified in 7.8.1 of this Article may be denied permission by the Employer's representative to talk to the Unit Member on his/her duty time if that will unduly interfere with the Unit Member's work. Any disagreement over this access shall be immediately referred to the Associate Superintendent/Student Programs and Services for determination. Provision of this remedy shall not bar use of the Grievance Procedure.

ARTICLE 8 - PROFESSIONAL DUES/FEES AND PAYROLL DEDUCTIONS

- 8.1 Any employee who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer or Association an assignment authorizing deduction of unified membership dues, initiation fees, and general assessments in the Association. Pursuant to such authorization, the Employer shall deduct an amount designated by the Association as follows: one-tenth (1/10) of such dues from the regular salary check of the Unit Member each month for ten (10) months. Deductions pursuant to authorization signed after the commencement of the school year shall be prorated appropriately, commencing with the month of authorization.

- 10.2.1 Each full-time Unit Member on a basic work year contract shall accrue ten (10) days of sick leave for personal illness or injury. Such sick leave shall be credited at the commencement of the contract year. Unit Members employed on a work year contract other than the basic work year shall accrue sick leave on a prorated basis. Unused sick leave will accrue from year to year.

Any Unit Member who was hired on or after January 1, 2017 and is a former active duty member of the Armed Forces of the United States or former or current member of the California National Guard or a federal reserve component with military service-connected disability rated at 30% or more by the United States Department of Veteran Affairs, shall be entitled up to an additional 10 days of sick leave during the first year of employment. Unit members are entitled to use sick leave and extended sick leave as set forth in this article when disabled due to pregnancy or a related medical condition, including, miscarriage, childbirth, termination of pregnancy, and recovery therefrom on the same terms and conditions governing leaves of absence for other illnesses or disabilities. The length of the leave of absence, including the date on which the leave shall commence and the date on which the Unit Member shall resume duties, shall be determined by the Unit Member and her health care provider. The Unit Member shall provide written notice and health care provider verification to Human Resources as soon as possible regarding the expected date on which the leave will commence, and the expected date on which the Unit Member may resume duties.

Unit Members are entitled to leave without pay or other benefits when disabled due to pregnancy or a related medical condition, including miscarriage, childbirth, or recovery therefrom when sick leave and extended sick leave have been exhausted to the extent provided by law. The date on which the Unit Member must resume duties shall be determined by the unit member and the unit member's health care provider.

A Unit Member on leave for pregnancy disability shall be entitled to return to the same or comparable position (i.e., same grade or subject) to that held at the time the leave began.

- 10.2.3 A Unit Member shall follow the procedure above in General Policy to notify the COE of his/her absence due to illness. It is expected that the Unit Member will provide sufficient advance notice to secure substitute personnel where required. Such advance notice is to be no less than two (2) hours prior to start of workday assignment, except when circumstances beyond the Unit Member's control preclude the two (2) hours prior notice, in which instance the Unit Member will provide notice as soon as possible and an explanation for the delay. Such notification described herein shall also include the specific reason for absence and an estimate of the expected duration of the absence.
- 10.2.4 Sick leave, which has been credited and used, but not earned upon termination, shall be repaid by deduction from final salary settlement upon termination.

Under no circumstance shall a Unit Member have salary deducted greater than the Unit Member's daily rate of pay.

The Employer reserves the right to require verification of illness for shorter periods of time when there is probable cause to require such verification. Such verification requirement shall not be for arbitrary or capricious reasons.
- 10.2.6.3 A Unit Member who has experienced a disability absence requiring surgery, hospitalization, or extended medical treatment may be required to submit, prior to return to active duty, a medical statement indicating an ability to return to his/her position with or without restrictions and perform his/her essential job duties with or without reasonable

- 10.3.4 A Unit Member may use any accrued or accumulated sick leave while on parental leave, whether or not the unit member is disabled due to pregnancy or a related medical condition, including miscarriage, childbirth and recovery. Pursuant to Education Code section 44977.5, if the Unit Member exhausts his/her accumulated sick leave prior to the expiration of the 12-week child bonding leave, she/he shall be entitled to differential pay as defined in Education Code section 44977.5 for the balance of the 12 week period. The amount deducted from the Unit Member's salary for leave once accumulated leave has been exhausted shall be the difference between the Unit Member's daily rate of pay and \$140.00; however the compensation a Unit Member shall receive shall be no less than 50 percent of his or her regular salary for the remaining portion of the 12-workweek period of parental leave.

If there are any Workers' Compensation checks signed over to the Employer, the bank will not be charged days, or if charged, will be reimbursed the number of days for which the Workers' Compensation payment is equivalent to a regular day of pay at the negotiated rate for that Unit Member. challenges the Workers' Compensation claim, the Unit Member may withdraw from the Catastrophic Leave Bank, but upon settlement of the claim, the bank shall be reimbursed by the Employer.

10.6.13.3 If there are not sufficient days donated for catastrophic leave to fund a withdrawal request, the Employer is under no obligation to provide days of leave or funds to the participant. If the Employer denies a request for withdrawal or an extension of withdrawal of catastrophic leave because of insufficient donated days to fund the request, the Employer shall notify the Unit Member and the Association in writing of the reason for denial.
