

YOUTH SERVICES EMPOWERMENT PROGRAM (YSEP)

The CCCOE Youth Services Empowerment Program offers one-on-one academic support for justice-involved and at-risk youth aged 14-24. Case managers evaluate each youth's needs, goals, and barriers, to tailor services accordingly. Youth receive educational support, mentorship regarding secondary education, and/or employment goals. Referrals can be made by Deputy Probation Officers, Public Defenders, and School Personnel.

- Academic Support
- Job exploration counseling
- Post-secondary educational support
- Work readiness training
- Information on youth programs and community resources
- Self-Advocacy
- Outreach
